

JUGAAD LEADERSHIP PROGRAM

2018 Graduation Ceremony

Jugaad Leadership Program (JLP) successfully concluded the 2018 cohort in September. A graduation ceremony was held at the St. Cloud River's Edge Convention Center to recognize the achievements of Jugaad graduates.

After eight months of learning and development, JLP is proud to see the nine emerging leaders complete and graduate from the program in flying colors. More than 200 community leaders, members, alumni, family & friends joined the advisory board to celebrate with the 2018 cohort.

This year, JLP team was honored to have United Airlines Captain Hayes as the keynote speaker.

The mission, goals, objectives and values of JLP, impressed and inspired Captain Hayes when he had attended the graduation ceremony last year. Not surprisingly, this year he joined us as the keynote speaker and shared his experience and wisdom with the attendees.

Jugaad Leadership Program advisory board would like to take the opportunity to thank all the presenters, mentors, partners, and supporters who made JLP a success story.

Holidays Greeting from JLP Chair

Each year that passes seems to have its own character – there are always challenges, and many highlights which bring joy and gladness. In this busy time of year, I encourage you to take a few minutes to count your blessings. We all have so much to be thankful for including our community, businesses, family and friends, to name a few.

The holidays are times for reflection and a rejuvenation of hope for the future. May we always be ever mindful of the spirit of caring, sharing, love and generosity of the holiday season, and do our best always as we seek to develop as an organization and improve our community.

I am particularly aware that the success of the Jugaad Leadership and mentoring program rest upon the invaluable support of our funders, partners and the hard work of the advisory board who so generously volunteer and give their valuable time. Let me take this opportunity to thank each one of you for your wonderful support and dedication.

On behalf of the Advisory Board we wish you a safe and very happy holiday and a New Year filled with peace, joy, productivity and prosperity.
